The Italian Hospitality Investment Conference is approaching soon.
Leaders from the investment and hospitality landscape will gather in Rome for 2 days.

Join 900 delegates on 17th & 18th October 2024 for an enhanced edition of ITHIC, to promote, display and directly discuss your real estate assets with over 100 investors from over 15 countries.

Join Sébastien Bazin, Philippe Zuber, Timo Gruenert, Yanis Varoufakis, Marloes Knippenberg, Robin Rossmann and many other leaders from global brands and the investment landscape who have already presented at ITHIC, for this very international edition held in the very center of Rome, the Eternal City.

The 2024 focus will be *showing you the future*.

In the background, increased opportunities to generate leads and renovate friendships within concentrated club of participants (2024 entrance limited to 900 delegates). Brokers, institutional investors, private equity funds and international family offices are targeting Italy with an unprecedented focus.
